VIRTUAL ENGLISH LEAGUE

Digitain's Virtual Sports English League has a similar format as the English Premier League tournament. The League tournament consists of **38 weeks,** with **20 teams** competing with each other. Each tournament week/cycle lasts at least **2 minutes** and in each week we have **10 game events** happening simultaneously.

Our Virtual Sports English League, includes these great features:

- 7200 Daily Events
- League Special Markets
- 10 unique events each week
- Live info capability across all games, with important events highlighted such as Goals, Yellow Cards, Red Cards and Penalties.

VIRTUAL FOOTBALL

With our Virtual Football your players are guaranteed to experience authentic and emotional feelings, just like in a real football match.

One match is quickly followed by another, offering a continuous player experience to the audience.

- All the main virtual sports betting markets available across the industry
- 9 unique extra betting markets
- High quality graphics such as animations for yellow cards, red cards and penalties
- Action replays for key moments during the games, including fouls, free kicks, with red or yellow cards

VIRTUAL HORSE RACING
VIRTUAL GREYHOUND RACING

Digitain's Virtual Horse and Greyhound Racing games will captivate your players, as if they are experiencing the real-life action, drama and thrills of a genuine race.

There's plenty of runners in each race, ensuring some great forecast betting opportunities – your players will love the opportunity for a small stake, big win payout – driving longer player time and improved player loyalty.

- Realistic horse and greyhound animation
- Real – time game randomness
- Graphics with dynamic and entertaining camera angles
- Popular betting markets, including extra bet types (e.g. on winning horse / greyhound number)

- Day and night greyhound races
- Rich and interactive race track design
- Banner management with real time reflection
- Innovative back office for control over margins, race formats, horse and greyhound data and more
